**Fountain Valley, CA 92708**

Coastline Community College was founded in 1976 to meet the educational needs of adult learners. In addition to its classroom-based vocational and academic programs, the college has pioneered the use of educational technology through the design, production, and delivery of Emmy award-winning telecourses, live cable-delivered classes, interactive videoconferencing, online classes, and CDROM delivered instruction. The college has extensive facilities to support the design and delivery of technology-mediated instruction, including an Instructional Resources Center, a cable origination center, and a technology-enhanced learning center that includes lecture halls and classrooms from which videoconferencing and cablecasts can originate. The latter is currently used to deliver live cable classes that are simultaneously video-streamed over the Internet. During 2010/11 Coastline completed 4,000 SOCNAV agreements in support of Sailors enrolled in the NCPDLP and NCPACE, with 2,275 degrees awarded. Total military enrollment exceeded 39,000.

Coastline Community College is regionally accredited by WASC-Jr., the Western Association of Schools and Colleges/Accrediting Commission for Community and Junior Colleges.

### **How to get a copy of your SMART:**

You can request a copy of your SMART online at <https://smart.navy.mil/request.pdf> or call the Navy College Center at (877) 253-7122.

### **Evaluation of your Military Credits:**

If you are planning to pursue your degree from Coastline, upon enrollment in a Coastline course, submit the SOCNAV evaluation request form along with official transcripts to Coastline. The form is provided in this catalog, or can be accessed at: <http://military.coastline.edu/degrees/page.cfm?LinkID=1436>.

If you have not chosen a degree plan and would like an unofficial evaluation toward a degree at Coastline, please email: [unofficialevaluations@coastline.edu](mailto:unofficialevaluations@coastline.edu) or FAX a copy of your SMART and any college transcripts to 714-241-6193. We will show you where your military credits fit into our degree and which degree requirements remain. **We can accept up to 40 military credits** in our Associates Degree.
